3 lb. Sledge Hammer

PRODUCTS > HAMMERS AND MALLETS > HAMMERS - HEAVY HAMMERS

Deliver a powerful, sure strike in comfort with the TEKTON 31103 3 lb. Sledge Hammer. Made from high-strength, lightweight fiberglass, the virtually unbreakable handle core naturally dampens stinging vibrations. A poly jacket completely surrounds the core and protects it like a bulletproof vest, absorbing the impact of missed strikes. The soft and comfortable rubber grip features an aggressive, non-slip tread to stay put in your hand. And since it is a directly integrated piece of the handle, it can never pull loose. And don’t worry, TEKTON sledge hammers are always guaranteed. So, go ahead, Take It On.

Specifications:

- High-strength fiberglass handle core helps absorb vibrations
- Exterior poly jacket protects handle core from missed strikes
- Soft and comfortable, non-slip rubber grip
- Permanent head-to-handle epoxy bond will not loosen over time
