

3-pc. 1/4 in., 3/8 in., 1/2 in. Drive Socket Holder Set

PRODUCTS > TOOL ORGANIZATION AND STORAGE > SOCKET HOLDERS

Conveniently hold and organize 1/4, 3/8, and 1/2 in. drive sockets using the TEKTON Socket Holder Set. The versatile design allows holder to be used in multiple ways: transported to job site, placed in a tool box or drawer, or mounted to a wall. Each socket holder can hold 16 sockets. Constructed from nickel plated steel with spring-steel socket clips that are easy to set in place and securely hold onto sockets.

Specifications:

- Nickel plated steel construction with spring-steel socket clips
- Each rail hold 16 sockets
- Carry in tool box or mount to wall or workbench
