

10-pc. 3/8 in. Drive Crowfoot Wrench Set (Inch)

PRODUCTS > WRENCHES > WRENCHES - SPECIALTY

Extend your reach with the TEKTON 10-pc. 3/8 in. Drive Crowfoot Wrench Set (Inch). These handy problem solvers give you more options when you are trying to get at fasteners in tight, awkward spaces. With every common size from 3/8 in. to 1 in., they are ready for use with your 3/8 in. drive ratchet, extension, or torque wrench. A metal storage rail keeps them neatly organized. Made from high quality forged and hardened steel, wrenches feature a tough chrome-plated finish that resists rust and corrosion.

Specifications:

- Reaches fasteners in tight spaces that other wrenches cannot
- Use with any 3/8 in. drive ratchet, extension, or torque wrench
- Made from forged and hardened steel
- Chrome plated finish resists corrosion
